# STEPPING STONES

## HOW TO PLAY

- Place a token for each player on the START stone.
- Players take turns to draw a card:
  - If the pattern is a step they must step to the next stone.
  - If the pattern is a skip they must skip forward, moving 2 stones along
  - If the card says "slip!" they must move backwards one stone.
- The winner is the first to reach the END stone.

## ASSEMBLY

To assemble this game:

- Print out the game board (pages 3-4). Trim along the dotted lines and laminate if desired.
- Print out the game cards (pages 5-8) double-sided. Trim along the dotted lines and laminate if desired.
- You will also need a game token (eraser, button, small toy, etc.) for each player.

## LEARNING OBJECTIVE

*Stepping Stones* helps new students to identify the step and skip patterns in the music alphabet.
