LANDMINES**

LANDMARK LANDMINES

HOW TO PLAY

- Each player places a counter on one of the coloured start line notes.
- Players take turns to role/draw step or skip and move up the grand staff.
- If a player lands on a “landmark landmine” they must correctly name the landmark note or they are sent all the way back to the start line.
- The winner is the first to land on the finish line.

Optional Extra: Players can choose to answer a flashcard when they are sitting on the landmark space to win an extra turn.

LEARNING OBJECTIVE

Landmark Landmines reinforces the landmark notes to give students a headstart on the grand staff.

Theory Concepts Covered: Landmark notes/steps & skips

Student Level: Beginner

Activity type: Board game

Number of players: 2 players

Seasonal: Not season specific

HOW TO ASSEMBLE

- Print out the small game board (page 3) or the large game board (pages 4–5). Laminate the game board if desired. There are also blank versions of these game board included on pages 8–10 in case you prefer to have students colour the landmarks themselves.
- If using the large game board, cut along the dotted lines and then tape together.
- Print out the step and skip cards (page 6–7) OR get a spinner app ready OR use step/skip dice if you have some.
- If using the game cards, cut along the dotted lines and laminate if desired.
- Find game counters such as erasers, paperclips, buttons or small toys. You need one counter per player (max. 5).
- If using the optional extra you will need flashcards that are appropriate to the student level.

Finish Line

The board game grid consists of five rows of circles, each row representing a different color: pink, orange, green, teal, and blue. Each row has 10 circles in total, with a yellow circle at the far right end. The circles are arranged in two rows of five, with a vertical line between the two rows. A dashed red line runs vertically through the center of the grid, separating the 'Start Line' on the left from the 'Finish Line' on the right. At the top of the grid, there are two musical staves: a treble clef on the left and a bass clef on the right, both with a large brace above them. The circles are placed on the lines of the staves, with some circles being half-filled with color and others being empty.

Finish Line

The image shows a musical staff with two staves, a treble clef on the top and a bass clef on the bottom. The staff is divided into two columns of circles. The top row is labeled 'Finish Line' and the bottom row is labeled 'Start Line'. The circles are colored yellow, orange, pink, and purple. The circles are arranged in a pattern that suggests a musical sequence or a game board. The top row has a yellow circle on the left and a yellow circle on the right. The bottom row has a purple circle on the left and a pink circle on the right. The middle rows have circles in various colors (orange, pink) and positions (left, right, center). The circles are arranged in a way that suggests a musical sequence or a game board.

Finish Line

The image shows a musical staff with two staves. The top staff has a treble clef and the bottom staff has a bass clef. A large brace on the left side groups both staves. In the center, there are two vertical columns of circles. Each column has 15 circles in total, with 5 circles on each of the three staves. The top circle in each column is a yellow sphere, while the others are white with black outlines. A red dashed line labeled 'Finish Line' is positioned at the top of the circles, and another red dashed line labeled 'Start Line' is at the bottom. The word 'LANDMARK LANDM' is written at the top in a stylized, yellow, blocky font.
