Beethoven's Bucket Dunk

HOW TO PLAY

- Each player should choose a Beethoven hat colour to represent them, and place the three corresponding cards on the rim/top edge of the bucket.
- Players take turns to draw a Papa Haydn card and try to answer the question. If they are incorrect one of their Beethoven cards falls into the bucket.
- The winner(s) are the ones with the most Beethoven cards intact at the end of the game time, or the last one standing when all the others have fallen in.

ASSEMBLY

To assemble this game:

- Print out the game board (pages 3-4). Trim along the dotted lines, and tape the pieces together. Lamination is not recommended as it will make the board too slippery.
- Print out the Beethoven cards (pages 5). Trim along the dotted lines. Lamination is not recommended as it will make the cards too slippery.
- Print out the Papa Haydn game cards (pages 6-13) double-sided. Trim along the dotted lines and laminate if desired.
