

**CONCEPTS COVERED:** Note names

**STUDENT LEVEL:** Beginner and up

# SIXTY SECOND CHALLENGE

# 60 SECOND CHALLENGES

## HOW TO USE

- Turn on a timer/stopwatch.
- Hold up one card at a time for your student.
- They must name each note and play it on the piano.
- Stop the clock once you've gotten through all the flashcards in the level and note the time.
- Students must get a time under 60 seconds three weeks in a row to complete the level.

[You can find stickers to mark their achievement and posters to display in your studio here.](#)

## ASSEMBLY

Apprentice level:

- Print out the tracking chart (page 3) and keep it in your student's folder to fill in each week.
- Print out the flashcards (pages 6-9) double-sided, cut along the dotted lines and laminate if desired.

Superstar level:

- Print out the tracking chart (page 4) and keep it in your student's folder to fill in each week.
- Print out the flashcards (pages 10-15) double-sided, cut along the dotted lines and laminate if desired.

Master level:

- Print out the tracking chart (page 5) and keep it in your student's folder to fill in each week.
- Print out the flashcards (pages 16-22) double-sided, cut along the dotted lines and laminate if desired.

## LEARNING OBJECTIVE

Mastering instant recognition of notes and relating them directly to the piano keys can take a lot of practice. These challenges provide a great incentive to accelerate students towards that goal.
