HOW TO PLAY

- Divide the deck in half between the two players.
- The players should sit side by side, facing the same direction.
- On the count of three, each player turns over a card from their pile (forming two stacks).
- If a card has a time signature error, a player can put their hand on top of that pile (either their own or the other player's) and say SNAPPEROO!
- This player wins that pile of cards.
- The winner is the player with the most cards in their deck when the time is up.

ASSEMBLY

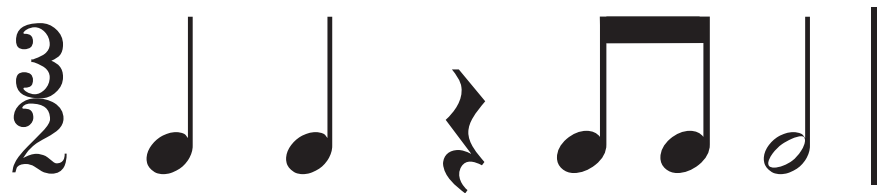

To assemble this game:

- Print out the game cards (pages 3-10) double-sided.
- Cut the cards along the dotted lines and laminate if desired.

LEARNING OBJECTIVES

Time Signatures Snapperoo reinforces the time signatures and what they mean.

This game is the perfect complement to [Thinking Theory Book Three](#) and the Thinking Theory video: '[Intermediate Time Signatures](#)' which you can find on YouTube.
