STUDENT LEVEL: Early intermediate

TERM TELEPORT

HOW TO PLAY

- Begin by placing a game token for each player at the "Start Here" station marker.
- Players take turns to draw a "Grand Staff Station" card and name the note on the card.
 - If they are correct, they advance to the next station.
 - If they are incorrect, they stay put.
- When a player comes to a level crossing, they may draw a "Term Teleport" card.
 - If they can explain the term correctly, they can use the teleporter to move to the teleporter pad of the same colour along the tracks.
 - If they are incorrect they simply move to the next station as normal.
- The winner is the first to reach the "Final Station" marker.

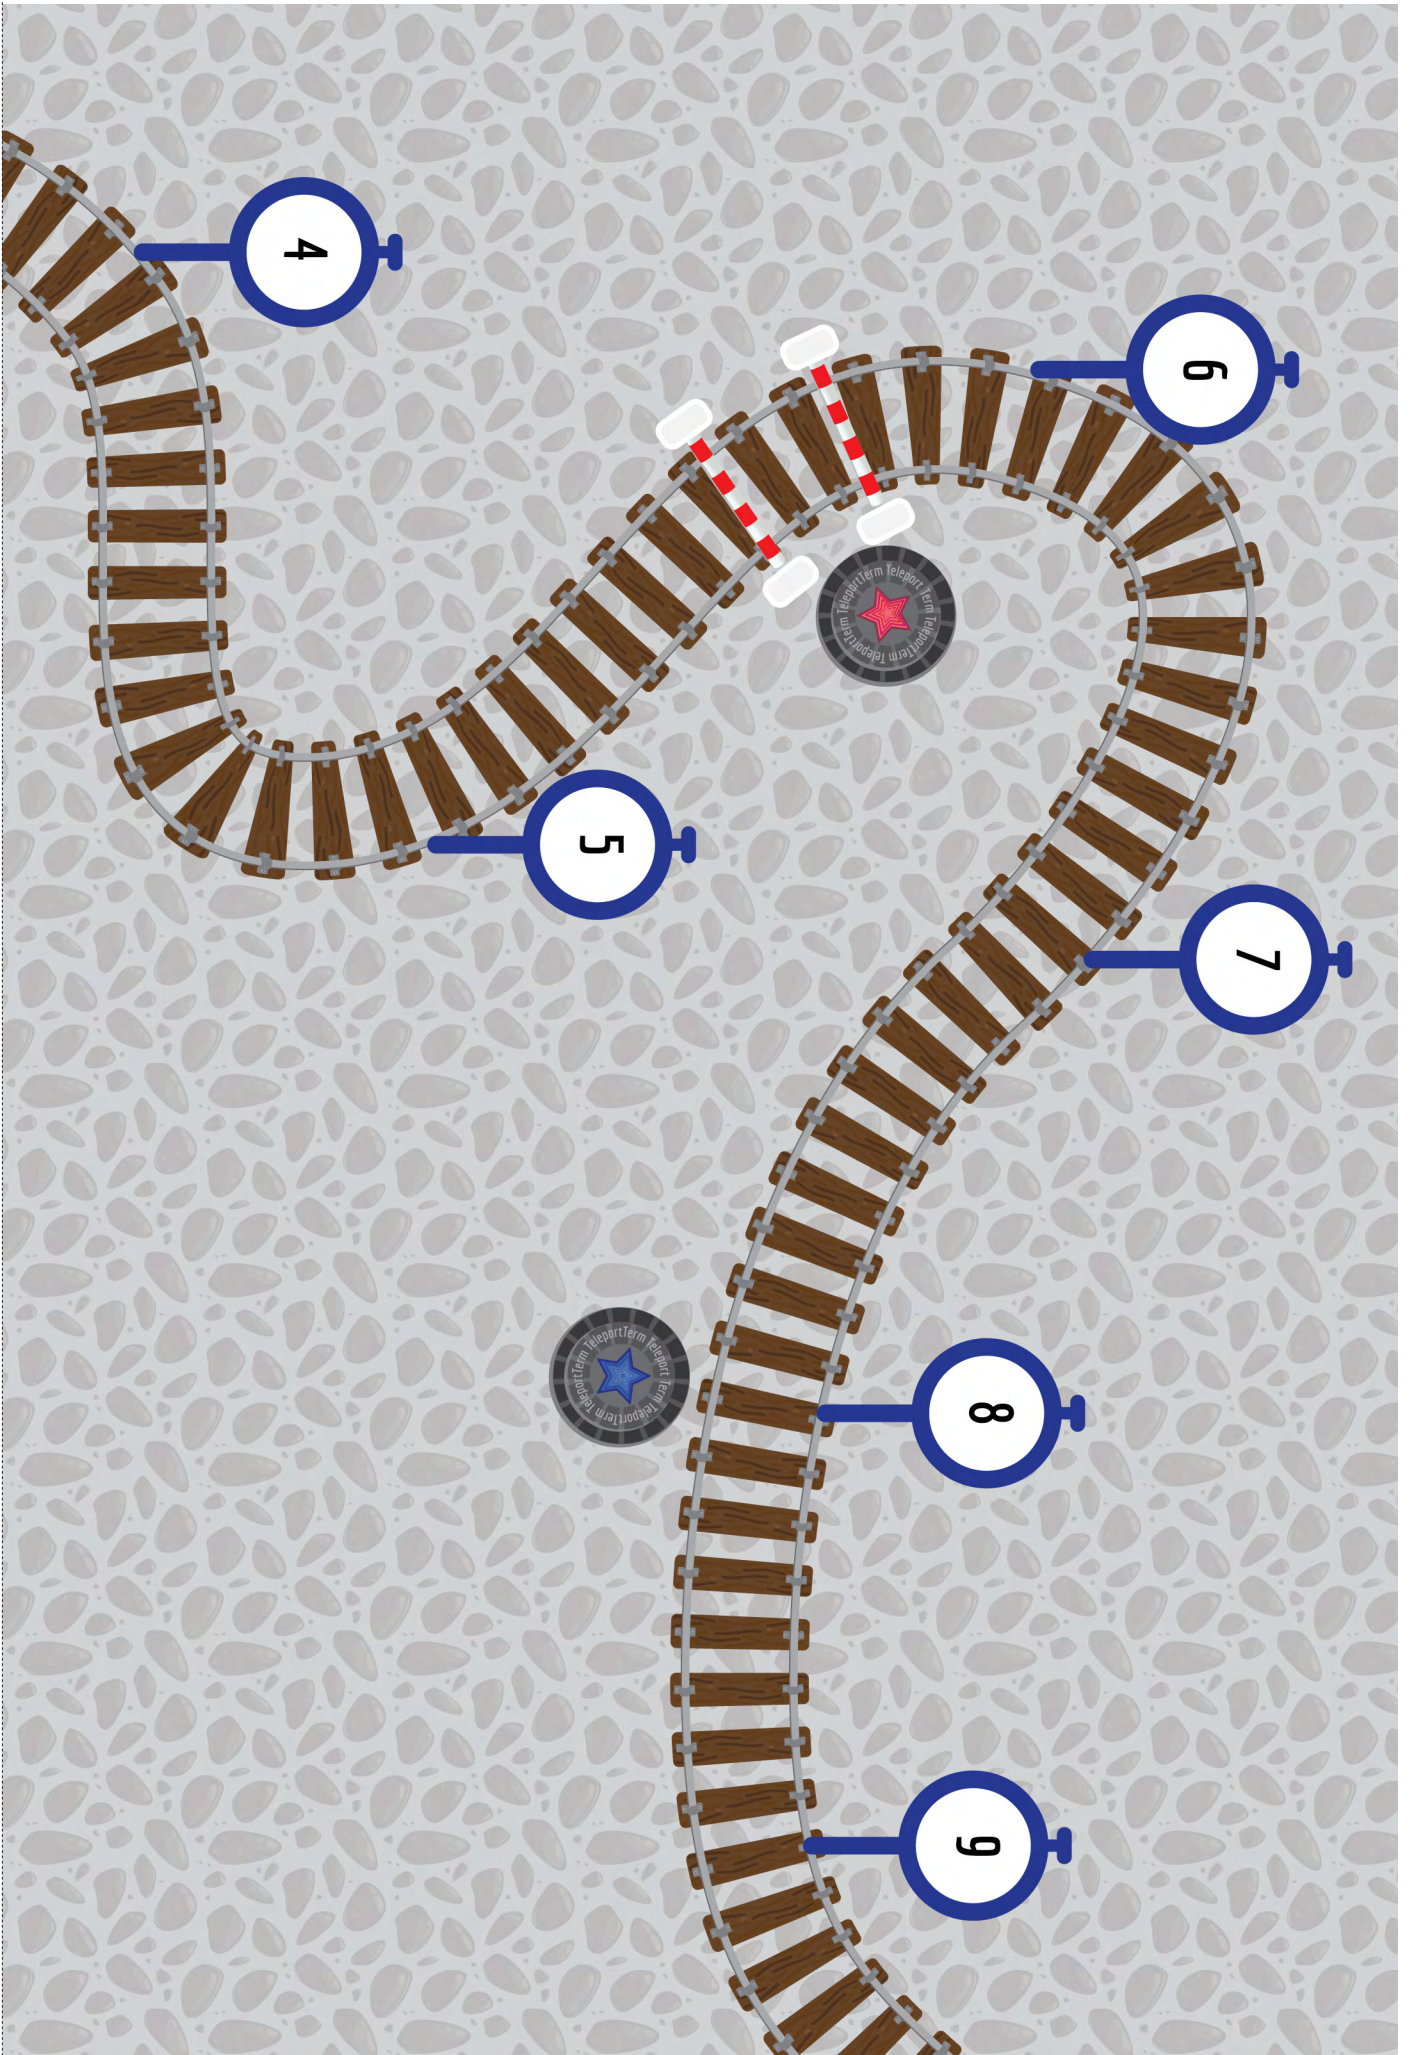

ASSEMBLY

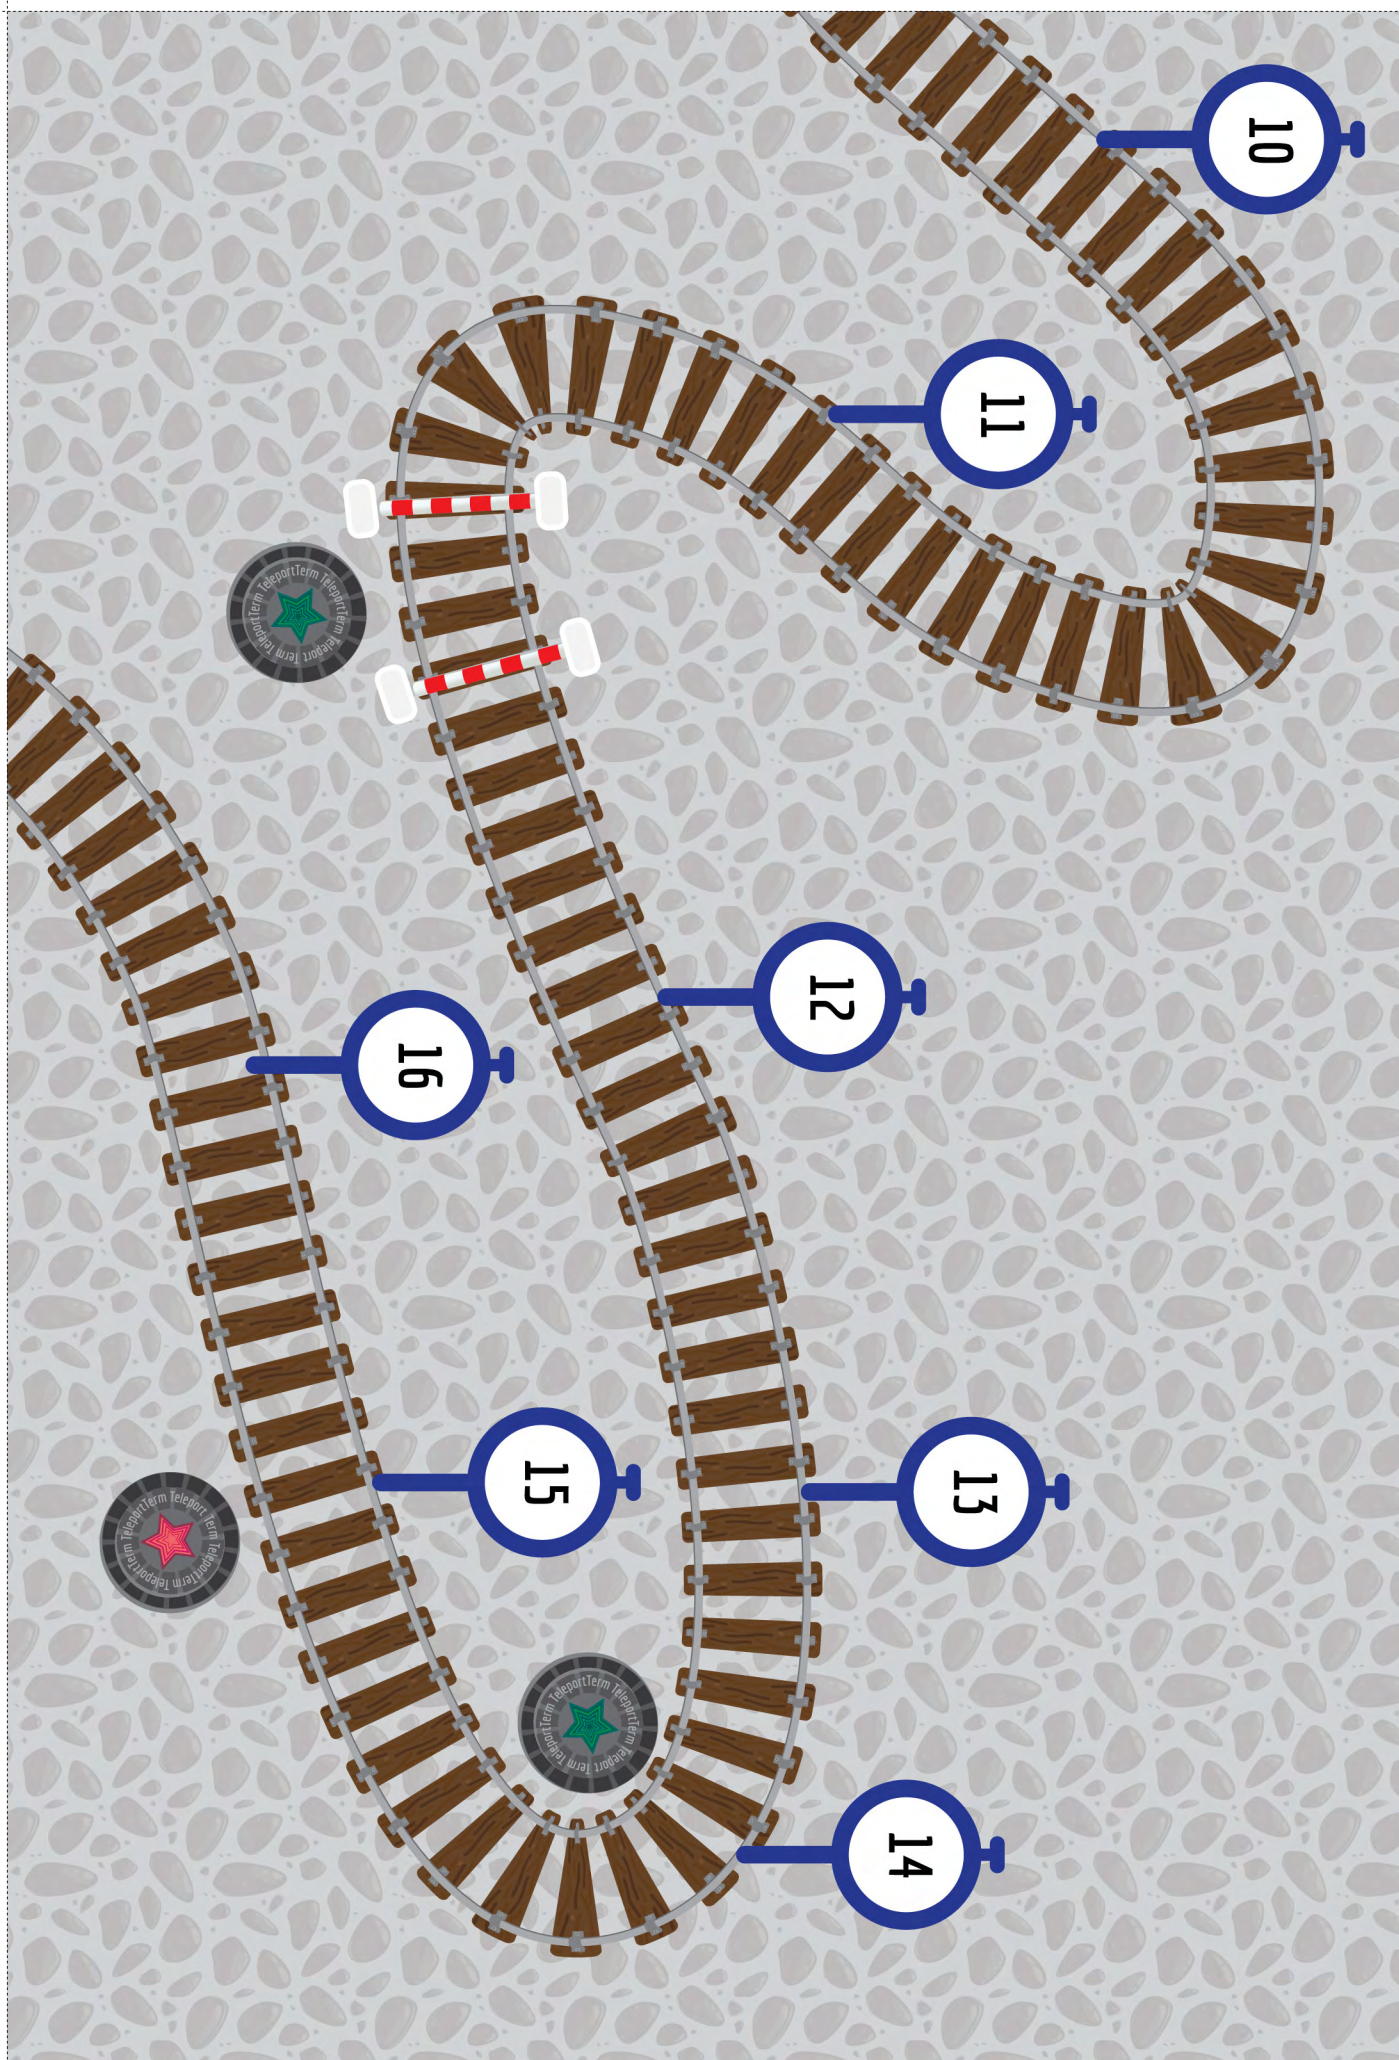

To assemble this game:

- Print out the game board (pages 3-6). Cut along the dotted lines, laminate if desired and tape the board pieces together.
- Print out the game cards (pages 7-16) double sided. The decorative backing is recommended as there are two different types of cards.
- Cut the cards apart along the dotted lines and laminate if desired.
- You will also need a game token (erasers, small toys, buttons, etc.) for each player.

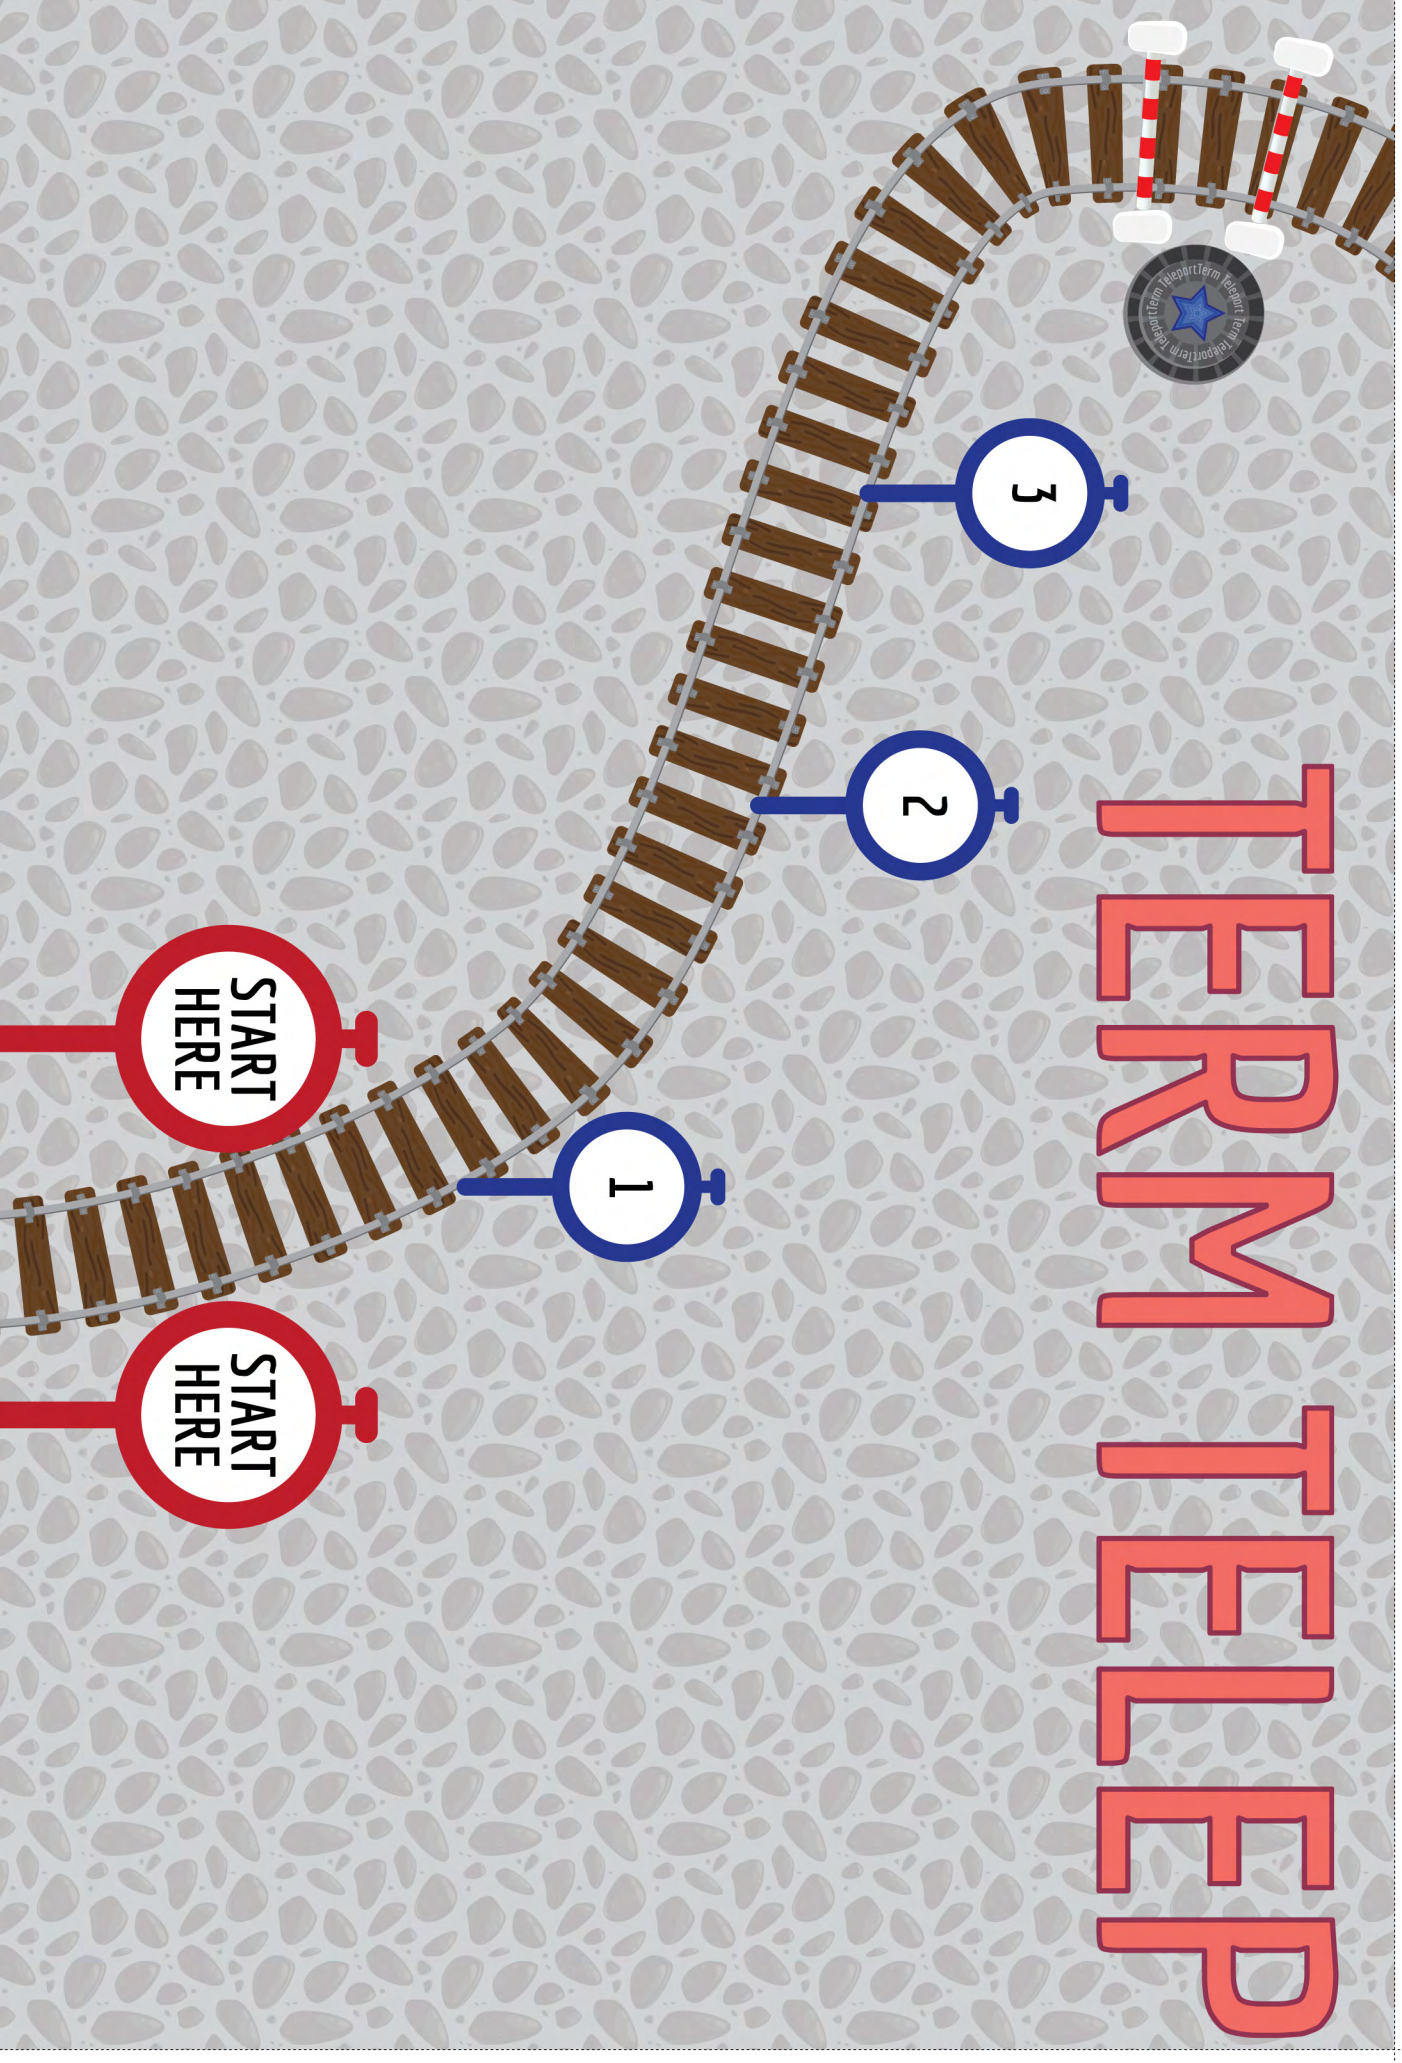

LEARNING OBJECTIVES
