# MINOR BAT

## HOW TO PLAY

- Create a set of 8 cards for each player. For example, if you have 3 players, you could choose D minor, F minor and E minor, and pick out cards that match those keys.
- Shuffle and then deal 8 cards to each player.
- Every player puts one card down to the left and then picks the one up from the right.
- When a player has a full matching hand (a key signature + only notes from that scale) they put hands over their eyes.
- Every other player places their hands over their eyes as quickly as possible, the last one is the gets a letter from the word BAT.
- When a player has the full word BAT they are out.

(These playing instructions are also included on one of the game cards.)

## ASSEMBLY

To assemble this game:

- Print out the game cards (pages 3-16) double sided.
- Cut along the dotted lines.
- Laminate if desired.

## LEARNING OBJECTIVES

*Minor Bat* helps students to think quickly about major scales and key signatures. This game is a great way to review the minor scales and key signatures once students have reached a certain level of understanding.
