ENHARMONIC MATES

HOW TO PLAY

- Deal 6 cards to each player and place the rest of the deck in the centre.
- Turn over the top card of the deck to start the discard pile.
- Players take turns to draw a new card (either the face up one from the discard pile or the one at the top of the deck) and discard one from their hand.
- When a player has a full hand of enharmonics in their hand (3 pairs) they should say: "Enharmonic mates!".
- If they are correct they are the winner, if not, gameplay resumes.

ASSEMBLY

To assemble this game:

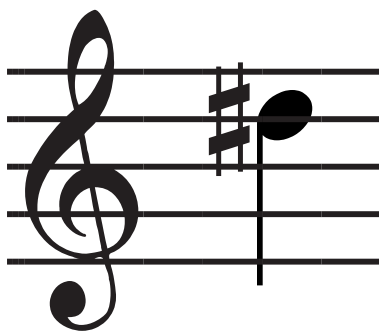

- Print out the game cards (pages 3-10) double-sided.
- Trim along the dotted lines
- Laminate if desired.

LEARNING OBJECTIVE

Enharmonic Mates gives students the opportunity to practice finding enharmonic notes and get used to the term. It does not use any white piano key enharmonics so is an easy first step into this concept.
