

CONCEPTS COVERED: Terms & symbols

STUDENT LEVEL: Beginner to early intermediate/grade 2

PIT STOP

HOW TO PLAY

- Place a token for each player on the start/finish line.
- Players take turns to draw a card and name or explain the term or symbol.
 - If they are correct they advance to the next yellow line.
 - If they are incorrect and they are still before the first pit stop, they must return to the start line.
 - If they are incorrect and they have passed a pit stop, they must go back to that pit stop.
- The winner is the first to reach the finish line.

Notes:

- If you wish to play a faster version of this game, you can use a die to move forward instead of advancing one line at a time.
- Players can use different versions of the game cards, side-by-side. So a beginner can play with level 1 while an intermediate student uses level 4.

ASSEMBLY

To assemble this game:

- Print out the game board (pages 3-6). Trim along the dotted lines, laminate if desired and tape together.
- Print the game counters (page 7) and cut them out, or gather enough small toy cars to use as game tokens.
- Print out the game cards (pages 8-23). Cut apart along the dotted lines and laminate if desired.

LEARNING OBJECTIVE

Italian music terms and music signs need a lot of practise to become second nature for our students. *Pit Stop* is the perfect way to get this practise in for multi-levelled student groups.
