HOW TO PLAY

- Start with all game tokens on the first stepping stone and the game cards face down beside the game board.
- Player 1 rolls the die and moves their token forward that number of stepping stones.
- Player 1 tries to answer/identify the top card on the card pile.
- If they answer correctly they stay put, if they don't answer correctly they fall in the water and have to swim back to the first stepping stone.
- Continue until one player reaches the grassy knoll.

ASSEMBLY

To assemble this game:

- Print out the game board (pages 3-4). Trim off the edges, laminate if desired and tape the two pieces together.
- Print out the game cards (pages 5-34) double sided or alternatively just choose one level to print.
- Cut apart the game cards along the dotted lines and laminate if desired.
- You will also need a game counter for each player and a die.

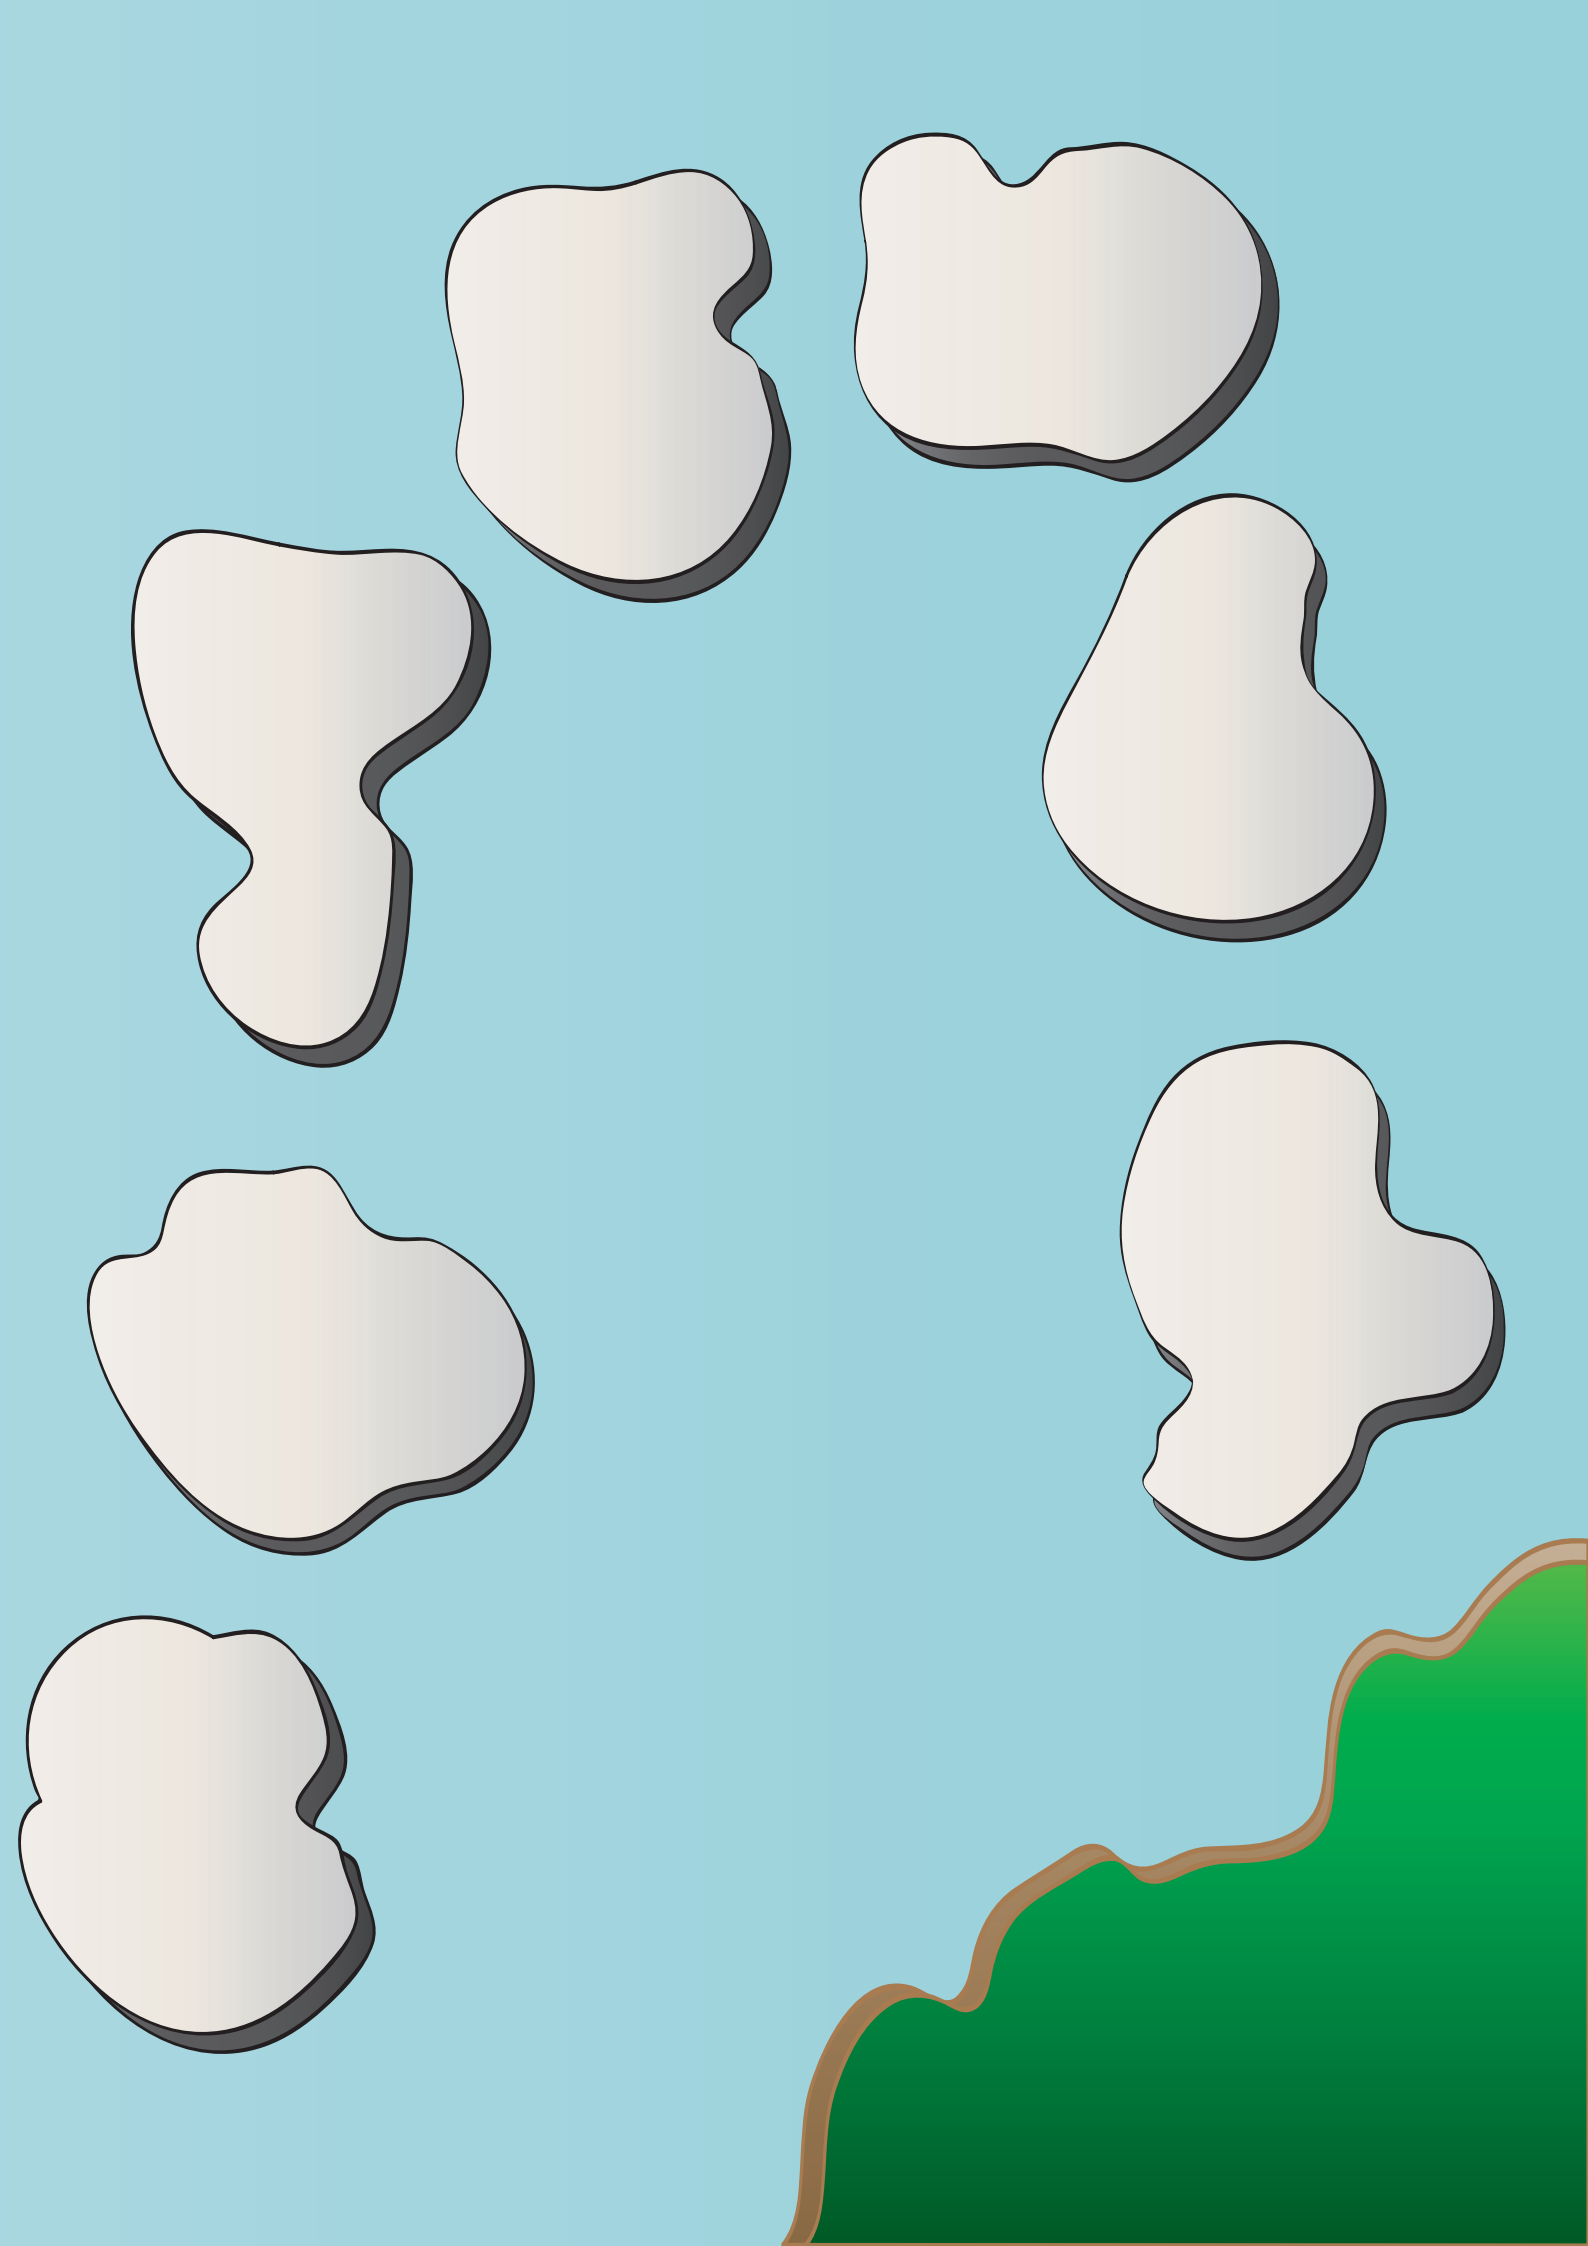

LEARNING OBJECTIVES

Symbol Splash helps review music terms for late beginner to intermediate music students.

This game is the perfect complement to the [Thinking Theory Books](#) and the Thinking Theory flipped learning videos which you can find on YouTube.
